Role and Reference Grammar Conferences
1999 – 2023

Role and Reference Grammar Workshop and Conference 1999

July 23 – 25, 1999

Venue: The University of Illinois, U.S.A., in conjunction with the Linguistic Society of America Summer Institute.

■ LECTURE

Van Valin, Robert D. Jr	Intro to RRG 1 (Clause structure and focus structure), Intro to RRG 2 (Semantic representation and linking)

■ WORKSHOP

Boutin, Michael	Austronesian linguistics
Kemmerer, David	Psycholinguistic and neurolinguistic implications of RRG
Shimojo, Mitsuaki	Japanese linguistics
Van Valin, Robert D. Jr	Lexical decomposition
Yang, Byong-seon	Korean linguistics

■ CONFERENCE

Abdoulaye, M.L.	Arguments vs. agreement markers: Preverbal pronouns in Hausa
Amazaki, Osamu	RRG analysis of quantifier floating in Japanese
Ameka, Felix, James Essegbey, & David Wilkins	Semantically underspecified verbs in Ewe: An RRG analysis of *dʑe*
Boutin, Michael	Locative predicates in RRG
Brush, Beaumont	Mental predicates in semantics and complementation
Centineo, Giulia	Two types of 'die' in Old Italian: The contrast between *Morire* and *Morirsi*
Eschenberg, Ardis	Focus structure in Polish complex sentences
Hasegawa, Yoko	On the notion of focus domain in RRG

Paris, Luis	An RRG description of the Spanish causative construction '*Hacer*-infinitive'
Park, Ki-seong	The case marking in periphrastic causative construction and two related constructions in Korean
Rangkupan, Suda	An application of RRG to quantitative methods for pragmatic studies of referring expressions
Shimojo, Mitsuaki	Island constraints in RRG: Extractability and information structure
Toratani, Kiyoko	Honorific and compound verbs in Japanese
Van Valin, Robert D. Jr	Some remarks on the acquisition of complex sentences
Yang, Byong-seon	Split intransitivity in Korean and Japanese
Zovko, Irena	Impersonal constructions in Croatian

CSSCC-2000 – New Theoretical Perspectives On Syntax And Semantics in Cognitive Science
September 2 – 10, 2000

Venue: International Center of Croatian Universities – ICCU,
Don Frane Bulića 4, Dubrovnik , Croatia

■ **COURSES (September 3 – 7, 2000)**

Bowerman, Melissa	Crosslinguistic perspectives on first language acquisition
Everett, Daniel	Lexical Integrity and Word-formation in Optimality Theory
Matasović, Ranko	Synchronic and Diachronic Typology of Syntactic Structures
Pustejovsky, James	Generative Lexicon
Van Valin, Robert D. Jr.	Syntactic Theory

■ **CONFERENCE (September 8 – 10, 2000)**

Belaj, B.	Nominalization as a Strategy of Passivization
Brala, M. M.	Decomposing English, Croatian and Italian Prepositions on a Cognitive Basis
Di Sciullo, A. M.	Layers in Words
Eckardt, R.	Reanalysing *selbst*
Fulgosi F S. & N. Tuđman-Vuković	A New View of Frequency and Prototypes
Grishina, N.	Focus Constructions in Ket
Haman, E.	Why Word Formation is Underestimated in Child Language Research
Jensen, A.	Sentence Intertwining in Danish
Jelaska, Z.	Synonymic Words Figured out Alone
Korźyk, K.	Lexical Representations within the Model of "Communicative Grammar"
Koshkaryova, N.	Sentences with Ditransitive Verbs in Khanty

Maltseva, A.	The Morphosyntactic Mechanisms of Argument Adjusting in the Chukotkan Languages
Kovačević, M.	
Medved-Krajnović, M.	Early Lexical Acquisition – A Croatian Example
Ozonova, A.	Analytic Constructions with Semantics of Possibility in Altai-Kizhi
Ohori, T.	Some RRG Predictions on the Diachrony of Clause Linkage
Pavelin, B.	Speech Gestures and Cognitive Development
Petroska, E.	The Categories of Quantity in Macedonian
Raffaelli, I.	Some Thoughts on the Typology of Adjectives
Sagaan, N.	Spatial Constructions in Tuvan
Škara, D.	The Poetics of Mind: Interpreting Metaphors and Idioms
Shimojo, M.	A Cognitive Theory of Island Phenomena: The Case of an "Island-Free" Language
Van Valin, R. D.	Some remarks on the nature of universal grammar
Wilbur, R.	The Cognitive-Semantic-Syntactic (and Prosodic) Interface: Focus in ASL
Winther-Nielsen N.	How to do Role and Reference Grammar in Ancient Hebrew: exploring the challenges of Judges 1-24.
Winther-Nielsen, N. & G. Yaeger	A Semi-Automatic Tool for the Assignment of Verb Argument Structures in a Role and Reference Grammar Framework
Yang, B.	Split Intransitivity in Japanese and Korean: a Role and Reference Grammar Account
Yamamoto, M.	Cognitive Meaning of Japanese tense morphemes: [-ta] and [-ru] Based on Mental Space Model
Žic-Fuchs, M.	
Zovko, I.	Dative Shift in Croatian

2001 International Workshop and Conference on Role and Reference Grammar

July 27 – 29, 2001

Venue: **The University of California, Santa Barbara, in conjunction with the Linguistic Society of America Summer Institute.**

The Organizing Committee:
- o   Everett, Dan (University of Manchester)
- o   Mairal Usón, Ricardo (UNED, Madrid)
- o   Matasović, Ranko (University of Zagreb)
- o   Ohori, Toshio (University of Tokyo)
- o   Van Valin, Robert D., Jr. (University at Buffalo)
- o   Byong-seon Yang (Jeonyu University)

■ WORKSHOPS (July 27-28, 2001)	
Everett, Dan	Introductory lectures on RRG
Mairal Usón, Ricardo & Francisco Cortes	Workshop on lexical representation and the lexicon
Everett, Dan	Workshoop on morphology in RRG
Weist, Richard	Workshop on language acquisition
Matasović, Ranko & Toshio Ohori	Workshop on diachronic syntax

■ CONFERENCE (July 29, 2001)	
Bentley, Delia	On 'ne'-cliticisation
Bickel, Balthasar	PSAs, valence and the theory of grammatical relations
Eschenberg, Ardis	Pragmatic pivots and Omaha
Grishina, Natalia	Topics in Ket
Kailuweit, Rolf	Psych-verb linking in Romance – a Role and Reference Grammar approach
Koshkaryova, Natalya	Syntactic functions of the dative case in Khanty, Nenets and Russian

Lee, Hee-chul	The semantics and syntax of the Korean periphrastic causative construction
Mairal Usón, Ricardo	Linking lexical templates to semantic constructions: A case study of *cut*, *hit* and *break* verbs
Matasović, Ranko	The possessive constructions in Croatian
Ohori, Toshio	Some thoughts on a new systematization of interclausal semantic relations
Paris, Luis	Syntactic expression of event relations: the case of the Spanish gerund clauses
Park, Ki-seong	A comparative study on the semantis and pragmatics of complementizers in Korea, Japanese and English
Shimojo, Mitsuaki	Syntactic constraints on quantifier float and information processing: The case of Japanese
Toratani, Kiyoko	On the meaning of –kake 'almost/be about to/do halfway' in Japanese
Van Valin, Robert D. Jr.	RRG approach to three-place predicates
Watanabe, Ryoko	Introducing speaker's construal in semantic relations hierarchy: a case of Japanese causal clauses
Wu, Joy	Clausal modifiers in Amis
Yang, Byong-seon	A Role and Reference Grammar's account of unaccusativity in Korean and Japanese: split intransitivity

The 2002 International Course and Conference on Role and Reference Grammar

New Topics in Functional Linguistics: The Cognitive and Discursive dimension of Morphology, Syntax and Semantics

July 22 – 28, 2002

Venue: University of La Rioja, Spain.

■ CORUSES & WORKSHOPS (July 22-26, 2002)	
Everett, Dan	Course lecture: RRG I & II, Morphology I & II
Van Valin, Robert D. Jr.	Course lecture: RRG III, VI, V
Hengeveld, Kees	Course lecture: FG I & II
Nuyts, Jan	Cognition and Grammar I & II
Elizabeth Guest & Nicolai Winter-Nielsen	RRG Hebrew analysis and translation

■ CONFERENCE (July 27-28, 2002)	
Alves, Elisabeth	Idiomatization and variation of verbal phraseologisms in specialized communication
Bellosta von Colbe, Valeriano. & Jacques François,	Windowing of attention and the core-periphery boundary
Bentley, Delia	Definiteness effects: evidence from Sardinian
Butler, Chris (Plenary Session)	Verbs of cutting and the FLM/RRG lexical grammar model: a detailed corpus-based study
Cennamo, Michela	Transitivity and argument linking in late Latin
Conti Jiménez, Carmen	Existential interpretation of Spanish naked NNPP in postverbal subject position
Cortés Rodríguez, Francisco & Dolores Torres Medina	Lexical Templates and Linking Rules for Some Old English Verbs of Motion. (Available on RRG web site.)

Everett, Dan (Plenary Session)	The particular vs. the general in the understanding of phrase structures
González Orta, Marta María	Linking syntax and semantics in simple and complex sentences: the case of old English speech verbs
Guerrero Medina, Pilar	Lexical constrainsts on the English middle construction
Guerrero Valenzuela, Lilián	Complex constructions and macroroles assignment in Yaqui
Hengeveld Kees (Plenary Session)	Functional discourse Grammar
Jensen, Anne	The interaction of syntax and prosody – templates and speech
Kailuweit, Rolf	A RRG description of locative alternation verbs in German, English and Romance
Kwee, Tjoe Liong	More-than-complex sentences – modifiers, layering,a nd recursion, in Functional Grammar and in Role and Reference Grammar
Lemmer, Katrin	Word formations with the preposition a in the Spanish language: an analysis within the Role and Reference Grammar framework
Levin, Beth (Plenary Session)	What alternates in the dative alternation?
Matasović, Ranko	Adjective phrases
Mattos Dall'Aglio-Hattnher, Marize & Maria Helena de Moura Neves	A functional approach to modality and evidentiality in Portuguese
Nolan, Brian	Periphrasitc causative constructions in Modern Irish
Nuyts Jan	Qualificational notions in grammar and cognition
Ortigosa, Ana	Tense and time adverbials: their scope in the sentence
Paducheva, Elena V.	Images and imprints as roles
Park, Ki-seong	A comparative study on the semantics and pragmatics of complementizers in Korean, Japanese and English
Pavey, Emma	Information structure in Manitoban French
Pino Marta	Towards a semantic and syntactic description of result state passives in Spanish

Premper, Walfried	On a multi-purpose syntactic paradigm in Arabic
Rezai, Wali	Two place activity – predicates in Persian: An RRG analysis
Shimojo, Mitsuaki	Linking in RRG and sentence processing – the case of internally headed relative clause in Japanese
Toratani, Kiyoko	Macrorole assignment and the distributive marker –aw in Japanese
Van Valin, Robert D. Jr. (Plenary Session)	Lexical representation, lexical rules and linking syntax and semantics
Verstraete, Jean-Christophe	Asymmetric operator dependencies and coordination in RRG: Arguments against a constituency view of coordination in complex sentence structures
Wedekind, Klaus, Charlotte Wedekind, & Abuzaynab Musa	RRG universal verb classes vs. Beja verb classifications based on morphologies and textual functions

The 2003 International Course and Conference on Role and Reference Grammar: Exploring the interfaces among meaning, function and morphosyntactic form

July 14 – 20, 2003

Venue: IBILCE – UNESP – BRAZIL (Universidade Estadual Paulista Instituto de Biociencias, Letras e Ciencias Exatas Campus de São José do Rio Preto)

■ COURSE (July 14 – 17, 2003)	
Bickel, Balthasar	Clause linkage typology
Everett, Dan	Introdução à Grammàtica de Papel e Referência Morphology in RRG
Goreti Pezatti, Erotilde	Introdução à Grammàtica Functional
Siewierska, Anna	The typology of person agreement and expression rules in Functional Grammar
Van Valin, Robert D. Jr.	Information structure, syntax and linking: Recent developments in RRG

■ CONFERENCE (July 18-20, 2003)[2]	
Armendariz, Rolando Fèlix	Quantifiers and information structure in Warihio
Bentley, Delia	Aspectual and modal constructions in Italian: an RRG approach
Bickel, Balthasar (Plenary Session)	Constraining focus and extraction domans
Conti Jiménez, Carmen	Instrumental alternations with hitting-verbs and throwing-verbs
Everett, Dan (Plenary Session)	Why we should be concerned about syntaxes we don't know
Guerrero, Lilian	On verb agreement in the Uto-Aztecan family: the case of Yaqui

---

[2] Papers presented at Parallel session on FG are not included.

Guest, Elizabeth, Lena Moburg, John Etchells, Rolf Kailuweit, Tobias Bender, Matthias Hartung, Eva Staudinger, & Alexander Valet	Parsing English, Swedish and French using the RRG Paradigm
Ibañez, Sergio	Defining the argument status of the third participant of three place predicates
Kailuweit, Rolf	RRG resources for French – preliminary work for implementation
Martin Arista, Javier & Elisa Gonzalez Torres	Non-macrorole PSAs in Old English: *tilian* 'provide' with genitive
Martínez Fernández, Beatriz	The definition of aspect in the absence of Linguistic markers: the simple form of the verb
Nemvalts, Peep	Outlining a sender's grammar of Estonia
Ortigosa, Ana & Ana Ibañez	On the compositionality of Aktionsart
Pavey, Emma	An analysis of *it*-clefts within a Role and Reference Grammar framework
Rangkupan, Suda	The layering of preverbal modals in Thai
Sandvei, Beate	Relative clauses with resumptive pronouns in Buenos Aires Spanish: a Role and Reference account
Siewierska, Anna (Plenary Session)	Agreement versus double indexation in a functional theory of grammar
Souza, Edson Rosa Francisco de	The behaviour of focus adverbs in Brazilian spoken Portuguese: a functional approach
Toratani, Kiyoko	Suppression of the actor in Japanese
Tosqui, Patricia	Analysis of motion verbs in Portuguese: a lexical semantic approach
Vali, Rezai	Information structure and word ordr in Persian
Van Valin, Robert D. Jr. (Plenary Session)	Constructional templates in Role and Reference Grammar
🔲 **WORKSHOP (July 18-20, 2003)**	
Angotti, Mary Lourdes	Morphological causativity in Mundurukú

Everett, Dan	Autochthonouns languages in Brazil and syntactic theory: functional and formal consideration
Franceschini, Dulce	The values of middle construction in Sateré-Mawé
Ribeiro, Eduardo Rivail	Noun inforporation and the 'lexicalist polemic': evidence from Karajá (Macro-Jê)

2004 International Role and Reference Grammar Conference

July 21 – 25, 2004

Venue: Institute of Technology Blanchardstown, Dublin, Ireland

■ WORKSHOPS	
Bentley, Delia	Introduction to RRG I, II, III
Bornkessel, Ina & Matthias Schlesewsky	Neurocognitive models of language processing
Guest, Elizabeth	Using the RRG paradigm to design a parser to handle languages with varying word order flexibility
Kailuweit, Rolf, Matthias Hartung, & Eva Staudinger	Computational approaches to RRG
Mairal Usón, Ricardo	Lexical representation and lexical semantics in RRG
Ward, Cecil	Celtic linguistics and RRG
Wiemer, Bjorn	Application of RRG in diachronic syntax

▦ CONFERENCE PAPERS	
Belloro. Valeria A	Canibalistic" datives in Spanish
Bentley, Delia	Argument suppression and demotion: *Si*-constructions in Italian
Cabello de Alba, Beatriz Perez	A lexical-syntactic study of cooking verbs in Spanish
Diedrichsen, Elke	The German 'bekommen-passive' and RRG
Eschenberg, Ardis	The operator projection, Omaha and diachronic dyntax in RRG
González Orta, Marta María	The syntax-semantics interface of verbs of 'ordering' in present-day English and Spanish

|	
Guerrero Valenzuela, Lilián	Complement types of perception verbs in Yaqui
Ibáñez, Sergio	Locative-theme alternations with 'put' verbs and 'take off' verbs in Spanish
Jiménez Briones,Rocío	Lexical templates and the frighten-type verbs: An enriched approach to RRG logical structures
Kalova, Anelia Stefanoval Ignatova	Aspects of Bulgarian within the framework of Role and Reference Grammar
Klingler, Dominique	The syntactic-semantic relation of some French infinitival constructions, within the framework of RRG
Kwee, Tjoe Liong	Adverbial clauses, recursion, and a missing linkage type
Matasović, Ranko	Infixed pronouns and case marking in Old Irish
McDonald, Edward	A cross-theoretical exploration of information structure in Scottish Gaelic
Medina, Dolores Torres	The syntax-semantic interface in some Old English motion verbs
Muñoz, Carmen Portero	The syntax of English-Spanish compounds: a contrastive analysis using the RRG framework
Nicolle, Steve	The Grammaticalization of Be Going To from A RRG Perspective
Nolan, Brian	An RRG account of reflexive constructions in Modern Irish
Rupnik, Maja	Case assignment in Classical Greek
Saeed, John (Plenary Session)	Focus in Cushitic: What's old and what's New
Sasaki, Kan	Derived environment effect in the case marking system: A case of the Mitsukaido dialect of Japanese
Sosa Acevedo, Eulalia	Lexical templates for locative prefixes in English
Toratani, Kiyoko	The logical structure of verb-*te-ar* '-linker-exist' in Japanese
Toyota, Junichi	Development of cleft construction in Irish
Van Valin, Robert D. Jr. (Plenary Session)	The notion of 'periphery' in simple and complex sentences
Vihman, Virve-Anneli	The return of the actor: effects of construction-level grammaticalisation

Wedekind, Klaus	Number in NPs of Beja (Afro-Asiatic): Morphology and layered structure
Wiemer, Bjorn	Alternative undergoer-marking by ACC vs. GEN – Where are the rules to be described?

The 2005 International Course and Conference on Role and Reference Grammar

June 26 – 30, 2005

Venue: Institute of Linguistics, Academia Sinica, Nankang, Taipei, Taiwan

---

■ COURSES & WORKSHOPS (June 26 – 28, 2005)		
Wu, Joy	Basic course on RRG I-IV	
Van Valin, Robert D. Jr.	Advanced course on RRG I-IV	
Nolasco, Ricardo & Maureen J. Saclot	*m*- and *s*- transitivity in Philippine type languages	Workshop on
Joy Wu	The state predicates in Amis	Austronesian
Dery, Jeruen	Focus and constituent order in Tagalog	Languages:
Nagaya, Naonori	Information structure and constituent order in Tagalog	Chair: R. Nolasco

■ CONFERENCE (July 22 – 25, 2004)	
Belloro. Valeria A	Spanish focus structure in cliticized three-place verb constructions
Nolan, Brian	The role of definiteness in the impersonal passives of Modern Irish: Towards an RRG characterisation
Toratani, Kiyoko	Mimetics in the layered structure of the clause
Van Valin, Robert D. Jr. (Invited speaker)	Recent developments in the RRG theory of clause linkage
Bril, Isabelle	Complex predicates in oceanic languages: studies in compression
Ohori, Toshio (Invited speaker)	More thoughts on the semantic representation in RRG: Event types and the semantics of clause linkage
Chang, Jung-Hsing	Linking semantics and syntax in Mandarin serial verbs
Mairal Usón, Ricardo and Pamela Faber	Decomposing semantic decomposition: Towards a semantic metalanguage in RRG

Mairal Usón, Ricardo	Lexical templates within the domain of complex structures
Rangkupan, Suda (Invited speaker)	The syntax and semantics of give-complex construction in Thai
Phillips, Audra & Prang Thiengburanathum	Verb classes in Thai
Wu, Joy	Ma-verbs in Amis: A Role and Reference Grammar analysis
Hölzner, Mathias	The syntax-semantics interface of German nouns

2006 International Course and Conference on Role and Reference Grammar

September 28–October 1, 2006

Venue: University of Leipzig, Leipzig, Germany

■ WORKSHOPS	
González Torres, Elisa, Gema Maíz Villalta, Javier Martín Arista & Roberto Torre Alonso	Workshop: Gathering evidence for the development of a functional theory of morphology
Cortés, Francisco, Elizabeth Guest, Javier Martín Arista & Ricardo Mairal Usón	Workshop: First steps towards a semantic representation for language comprehension by computer

■ PAPERS	
Belloro, Valeria	What is this clitic doing in my sentence? The pragmatic role of Spanish clitic doubling
Bellosta von Colbe, Valeriano	Is Role and Reference Grammar an adequate grammatical theory for punctuation?
Bentley, Delia	Syntactic and pragmatic principles of word order: Italian and Sicilian
Bickel, Balthasar (Invited speaker)	Cosubordination and typological adequacy in theory design
Bornkessel, Ina, & Matthias Schlesewsky (Invited speakers)	Minimality and unmarked transitivity: Two universal principles of sentence comprehension
Diedrichsen, Elke	Where is the precore slot? Mapping the layered structure of the clause and German sentence topology
Everett, Daniel (Invited speakers)	Non-endocentric structures in morphology and syntax: RRG vs. the world
García, Carmen & Elba Vera	The lexical representation of the impersonal construction in Old English verbs of happiness

|	
Guerrero, Lilián	The choice of subject coding in Uto-Aztecan complementation: Economy and iconicity
Haspelmath, Martin (Invited speakers)	Ditransitive constructions in RRG and some other approaches
Ibáñez Cerda, Sergio	The verbs of 'communication' in Spanish and the use of frame semantics in lexical description
Kailuweit, Rolf	Prodrop, agreement and optimal clitics – a RRG approach
Klingler, Dominique	The ellipsis of the proclitic in a complex construction in French
Koga, Hiroaki & Toshio Ohori	Reintroducing inverse constructions in Japanese
Löwenadler, John	Complementizer gap phenomena: Syntactic or pragmatic constraints?
Mairal Usón, Ricardo (Invited speaker)	Constructing meaning in Role and Reference Grammar
Malchukov, Andrej	On RRG analysis of mixed categories
Martín Arista, Javier	Morphological nexus and juncture in Old English
Matasović, Ranko	Transitivity in Kabardian
Melikishvili, Irene	The hierarchy of macroroles in active, ergative and nominative constructions of Kartvelian languages
Miura, Hidematsu	Against raising analysis in Japanese: Juncture mixture and multiple projections.
Morita, Takahiro	Some operator constraints on French complementation patterns
Nakamura, Wataru	Variable transitivity: A challenge to linking theory
Nolan, Brian	Modality in RRG: Towards a characterisation using Irish Data
O'Connor, Rob	A prosodic projection for RRG
Pavey, Emma	Predication and reference in specificational sentences — Functions of English noun phrases.
Rezai, Vali	Focus structure and word order in Persian
Shimojo, Mitsuaki	How missing is the missing verb? The verb-less numeral quantifier construction in Japanese
Slodowicz, Szymon & Björn Wiemer	Lexical entries for verbs with sentential arguments

Tomasello, Michael (Invited speaker)	Constructing a language
Toratani, Kiyoko	Split intransitivity in Japanese revisited
Trajcev, Sonia	Teaching the structure of French clauses: What can RRG provide?
Van Valin, Robert D. Jr. (Invited speaker)	RPs and the nature of syntactic categories in RRG
Wedekind, Klaus	Producing a simple RRG grammar for language learners

2007 International Course and Conference on Role and Reference Grammar

August 6 – 10, 2007

Venue: **Instituto de Investigaciones Filológicas, Universidad Nacional Autónoma de México**

■ COURSE (August 6-7, 2007)	
Guerrero Valenzuela, Lilián.	Introducción a RRG: la estructura sintáctica
González Vergara, Carlos	Introducción a la RRG: algunos aspectos morfo-sintácticos del español, las construcciones con "se"
Ibañez Cerda, Sergio	Introducción a RRG: la descomposición léxica
Mora-Bustos, Armando	Introducción a RRG: el estatus de los operadores
Belloro, Valeria	Introducción a RRG: la estructura de la información
	[Talk]
Van Valin, Robert D. Jr.	RRG and language processing

■ PAPERS (August 8-9, 2007)	
Armendáriz Félix, Rolando	The accusative –ka in Warihío and Yaqui
Belloro, Valeria A.	The pragmatics of dative doubling in Spanish
Bogard, Sergio	Spanish atelic activity sentences complemented by a bare nominal phrase: Two macroroles or just one?

|	
Chang, Jung-hsing	Linking syntax and semantics in simple sentences of Taiwan sign language: A Role and Reference Grammar account
Conti Jiménez, Carmen	Applicative constructions and Role and Reference Grammar
Danielle Lillehaugen, Brook & John O. Forman	Body parts and the encoding of THING, PLACE and PATH in Zapotec
Diedrichsen, Elke	Exploring the role of pragmatics in the interface: On the interrelations between activation status, choice of RP and syntax
Eugenia Vázquez Laslop, María	A puzzle on operators' values: Spanish modal verbs in perfect and dialectal variation
Farrell Patrick	The conceptual structure of "with"
García-Miguel, José M (Keynote speaker)	A corpus-based approach to argument structure
González Vergara, Carlos	One rule to rule them all: Logical structures for Spanish non-reflexive "se" constructions
González, Luis	Simplifying actor and undergoer selection in RRG
Graciela Montes, Rosa & Alaide Rodríguez Corte	Subject positioning and thematic role in children's narratives
Guerrero Valenzuela, Lilián.	The participant's mental disposition in complementation
Ibañez Cerda, Sergio	Different functions of prepositional phrases in Spanish
Ibáñez Moreno, Ana	An RRG account of non-relational morphology in OE: verbs in –gian
Islas, Martha	Aspect shift: Phase verbs and quantitative aspect in Spanish
Jiménez-Briones, Rocío	Lexical templates for the Spanish verbs of feeling: A further elaboration of RRG logical structure
Maldonado Soto, Ricardo (Keynote speaker)	Middle as basic voice pattern
Matasović, Ranko	A typology of control constructions within the framework of RRG

Mora-Bustos, Armando	Mood alternation in Spanish
Nichols, Johanna (Keynote speaker)	Juncture-based split alignment and aspectuality in Ingush
Nieto, Cecilia Rojas	Before grammar. Cut and paste in early complex sentences
Nolan, Brian	The functions, semantics and syntax of the adjective in Irish
Shimojo, Mitsuaki	Focus structure and beyond: discourse-pragmatics in RRG
Silverstein, Michael (Keynote speaker)	The several faces of gradience in grammatical theory
Toratani, Kiyoko	The layered structure of the reduced adnominal construction in Japanese
Van Valin, Robert D. Jr. (Keynote speaker)	Privileged syntactic arguments, pivots, and controllers
Watters, James K.	Tepehua verb morphology, operator scope, and the encoding of arguments
Winther-Nielsen, Nicolai	Refining logical structure for ancient hebrew: Testing the role-lexical module
Zaefferer, Dietmar	German infinitive-governing nouns and the RRG theory of control
	[Ttalk/workshop]
	Defining argument structure
Wilson, Chris	Data sharing and software tools

2009 International Course and Conference on Role and Reference Grammar

August 7– 9, 2009

Venue: **University of California, Berkeley, U.S.A., in conjunction with the Linguistic Society of America Summer Institute.**

The Organizing Committee:
- o Bentley, Delia (University of Manchester)
- o Everett, Dan (Illinois State University)
- o Guerrero, Lilián (Universidad Nacional Autónoma de México)
- o Kailuweit, Rolf (Universität Freiburg)
- o Mairal Usón, Ricardo (UNED, Madrid)
- o Ohori, Toshio (University of Tokyo)
- o Van Valin, Robert D., Jr. (Heinrich-Heine-Universität Düsseldorf, University at Buffalo)

🔹 **PAPERS (August 7-9, 2009)**	
Bentley, Delia	Focus fronting in the layered structure of the clause
Bohnemeyer, Jürgen & Robert D. Van Valin, Jr.	The macro-event property and the layered structure of the clause
Boutin, Michael	Towards a realizational approach to morphology in Role and Reference Grammar
Chang, Jung-hsing	Interrogative constructions in Taiwan Sign Language: A Role and Reference Grammar account
Diedrichsen, Elke	Towards a reconsideration of constructional schemas in RRG: Are all constructions driven by 'constructions'?
Dingemanse, Mark	The interaction of syntax and expressivity in Siwu ideophones
Evans, Nicholas (Invited Speaker)	The great middle makeover: puzzles of argument structure in Nen (Southern New Guinea)

González-Vergara, Carlos	*Se* incompatible predicates in Spanish: an RRG explanation
Guerrero, Lilián	Extending the challenge of control phenomena
Hawayek, Antoinette	Topic, focus and word order in the acquisition of Spanish
Henson, Bonnie J.	The nucleus as tonal domain
Ibáñez-Cerda, Sergio	Arguments, adjuncts and PP types in Spanish
Jiménez-Briones, Rocío & Beatriz Pérez-Cabello de Alba	An account of selection restrictions within a conceptual framework
Kailuweit, Rolf	Romance anticausatives: a constructionist RRG account
King, Deborah	Verb class restrictions on NP referentiality in Falam Chin verbs
Latrouite, Anja & Silke Lambert	An RRG approach to German resultative constructions
Lin, Chien-hung & Jung-hsing Chang	Modality in Taiwan Sign Language
Mairal Usón, Ricardo & Francisco J. Cortés Rodríguez	Ontological semantics in Role and Reference Grammar
Matasovic, Ranko	Kabardian causatives, core junctures and case marking domains
Mora-Bustos, Armando	Fixed adjuncts
Nakamura, Wataru	Functional/absolute case syncretism: An RRG-OT account
Nolan, Brian	The layered structure of the Irish word: An RRG account of inflectional and derivation processes
Osswald, Rainer	Semantic representation and complement realization: The case of remember revisited
